The Song Title is actually:  
Love Will Turn You Around  
(From the movie "Six Pack")

You can run you can hide never let it inside  
Keep livin' your life in the dark  
But sooner or later that gentle persuader  
Is gonna catch up with your heart  
Make you a dreamer, believer  
Believin' in love

Right when a man's doin' all that he can  
And he thinks he got just what he needs  
Life will deliver a shock that will shiver  
And drivin' him down to his knees  
Make him start givin', livin', livin' again  
Well it's your mind, that tricks you in to leavin' every  
time  
Love will turn you around, turn you around  
Well it's your heart, that talks you in to stayin' where  
you are  
Love will turn you around, turn you around

Out of the blue she reaches for you  
And you tell her you don't have the time  
So you move away fast but you know it won't last  
Cause you can't get her off of your mind  
Thoughts are burnin', turnin', they're turning around

How do you know when to stay or to go  
And how do you know when it's real  
You don't need a sign to make up your mind  
When you got your heart at the wheel  
You wanna start sharin', carin', carin' again  
Well it's your mind, that tricks you in to leavin' every  
time  
Love will turn you around, turn you around  
Well it's your heart, that talks you in to stayin' where  
you are  
Love will turn you around, turn you around

Love will turn you around, turn you around

Love will turn you around, turn you around  
Turn you around
