If you could see me now
The one who said
That he'd rather roam
The one who said
He'd rather be alone
If you could only see me now

If I could hold you now
Just for a moment
If I could really make you mine
Just for awhile
Turn back the hands of time
If I could only hold you now

But I've been too long in the wind
Too long in the rain
Takin' any comfort that I can
Looking back and longing for
The freedom of my chains
And lying in your loving arms again

If you could hear me now
Singing somewhere through the lonely night
Dreaming of the arms that held me tight
If you could only hear me now

But I've been too long in the wind
And too long in the rain
Takin' any comfort that I can
Yes, I'm looking back and longing for
The freedom of my chains
And lying in your loving arms again

I can almost feel your loving arms again
If you could hear me now
If you could see me now
If you could hear me now
