If you could see me now  
The one who said  
That he'd rather roam  
The one who said  
He'd rather be alone  
If you could only see me now

If I could hold you now  
Just for a moment  
If I could really make you mine  
Just for awhile  
Turn back the hands of time  
If I could only hold you now

But I've been too long in the wind  
Too long in the rain  
Takin' any comfort that I can  
Looking back and longing for  
The freedom of my chains  
And lying in your loving arms again

If you could hear me now  
Singing somewhere through the lonely night  
Dreaming of the arms that held me tight  
If you could only hear me now

But I've been too long in the wind  
And too long in the rain  
Takin' any comfort that I can  
Yes, I'm looking back and longing for  
The freedom of my chains  
And lying in your loving arms again

I can almost feel your loving arms again  
If you could hear me now  
If you could see me now  
If you could hear me now
