Don't call her up, anymore
'Cause I don't wanna hear your voice
I don't wanna see your face
Answer her door
Make no mistake, she's mine
She's mine

She only knows how I feel
I only know what she's like
When she needs me
Oh how she needs me
Deep in the night
Make no mistake, she's mine
She's mine, no, she's mine

Don't get too close when you dance
'Cause I don't wanna hear from my friends
You were out on the town
With her in your arms, her in your arms
With her in your arms, her in your arms

Don't include her in your dreams
'Cause I don't wanna close my eye-eye-eyes
No-o, I don't wanna know where she goes
Each night when she leaves
Make no mistake, make no mistake
She's mine, no she's mine, she's mine

Don't call her up, anymore
Don't call her up
Don't call her up anymore
