Maybe

Is a word that hangs between us
It's the thing to say when all else has failed
Maybe we've failed, maybe

Maybe

But I can't bare to say it's over
Till the love we've found is hopelessly lost
Maybe I could, maybe not

Our lives might have come unwound
But have we come so far
That we can't turn the hurt
That we can't turn the heart around

Our hearts still remain the same
Ohh first to wonder why?
Ooh ask to make a change

But maybe, maybe

If we hold on to tomorrow
Just hold on, just hold on
Then we just might find a feeling again, not let it end

Maybe

Is a word that hangs between us
Maybe time will help the wondering to stop
Maybe we'll know, maybe not
Maybe, maybe
