(feat. Whitney Duncan)

[Kenny Rogers:]

I didn't look over my shoulder
I wasn't ready for this
Didn't see the signs on the horizon
I was, so sure, that you, would never leave, but you did

[Both:]

Chorus

So sweep away the sand and dry the ocean
And just pack the moon and stars up in a cardboard
box
And stop the clock from chiming
Block the sun from shining
Paint the sky a deeper shade of blue

[Kenny Rogers:]

Cuz my world's over without you

[Whitney Duncan:]

I know I should just keep going
But I don't know where it starts
I never thought I'd see the day when, you'd go, and
leave, me here
With my broken heart, today

[Both:]

Chorus

So sweep away the sand and dry the ocean
And just pack the moon and stars up in a cardboard
box
And stop the clock from chiming
And block the sun from shining
Paint the sky a deeper shade of blue

[Whitney Duncan:]

Cuz my world's over without you

[Whitney Duncan:]

Maybe someday all the pain will fade

[Kenny Rogers:]
Maybe this hurt will slowly slip away

[Whitney Duncan:]
Maybe some days will never change

[Both:]
And I still love you

[Both:]
Stop the clocks from chiming
And block the sun from shining
And paint the sky a deeper shade of blue

[Whitney Duncan:]
Cuz my world's over without you

[Kenny Rogers:]
My world's over

[Whitney Duncan:]
Cuz my world's over without you

[Kenny Rogers:]
My world's over

[Both:]
Stop the clocks from chiming
And block the sun from shining

[Whitney Duncan:]
Cuz my world's over without you

[Kenny Rogers:]
My world's over
