While she lays sleeping  
I stay out late at night  
and play my songs  
And sometimes all the night  
can be so long  
And it's good when I finally  
make it home, all alone

While she lays dreaming  
I try to get undressed without the light  
And quietly she says  
"how was your night?"  
And I come to her and say  
"it was all right"  
and I hold her tight

(chorus)  
And she believes in me  
I'll never know just what she sees in me  
I told her someday if she was my girl  
I could change the world  
With my little songs  
I was wrong  
But she has faith in me

and so I go on trying faithfully  
And who knows maybe on some special night  
if my song is right  
I will find a way, find a way

While she lays waiting  
I stumble to the kitchen for a bite  
Then I see my old guitar in the night  
Just waiting for me like a secret friend  
and there's no end

While she lays crying  
I fumble with a melody or two  
And I'm torn between the things  
that I should do  
And she says to wake her up  
when I am through

God her love is true

(chorus)

While she waits

While she waits for me
