I like blue eyes, hers are green
Not like the woman of my dreams
And her hair's not quite as long as I had planned
Five foot three, isn't tall, she's not the girl I pictured at
all
And those paint by numbers, fantasies I've had

{chorus}
So it took me by complete surprise
When my heart got lost in those deep green eyes
She's not at all what I was looking for
She's more

No it wasn't at first site, but the moment I looked twice
I saw the woman, I was born to love
Her laughter, fills my soul
and when I hold her I don't wanna let go
When it comes to her, I can't get enough
{chorus}

More than I dreamed of, more than any man deserves
I couldn't ask for more, than a love like hers
{chorus}
