Her heart has had more knocks
Than a gypsy's tambourine
Yet it's worth more gold
Than any man has ever seen

And although no one has fallen for her
Like she's fallen for them
She says her heart isn't broken
It's only broken in

She's ready for someone to love her
Someone to hold her tight
Some to curl up next to
When her feet get cold at night

She's weathered the whirlwind romance
Stood through the one-night stands
She's ready for someone to love her
Who'll be the lucky man

Well, she has had her fill
Of those unfulfilling men
You know the kind that come calling
Never to call back again

Oh, she's bound and determined
Not to be fooled anymore
And poor thing she'll keep that promise
The same way she kept it before

She's ready for someone to love her
Someone to hold her tight
Some to curl up next to
When her feet get cold at night

She's weathered the whirlwind romance
Stood through the one-night stands
She's ready for someone to love her
Who'll be the lucky man

She's ready for someone to love her
Someone to hold her tight

Some to curl up next to
When her feet get cold at night

She's weathered the whirlwind romance
Stood through the one-night stands
She's ready for someone to love her
Who'll be the lucky man

You know
She's ready for someone to love her
