You lie in gentle sleep beside me
I hear your warm and rhythmic breathing
I take your hand and hold it tightly
Listen, can you not hear our young hearts beating?

I kiss the sleep from your eyes
Your smile is sweeter than the morning
And here it comes

Can't you feel it baby?
Can't you feel it? Here it comes

Feel it, feel it
Fire, fire

Something's burning
Something's burning
Something's burning
And I think it's love

And now the sun is burning brightly
We lie in love, so close together
I get the feeling deep inside me
My love for you will burn forever

I cup my hands to touch your face
And once again I feel your fire
And here it comes

Can't you feel it baby?
Can't you feel it? Here it comes

Feel it, feel it
Fire, fire

Something's burning
Something's burning
Something's burning
And I think it's love

And I think it's love, love
And I think it's love

I think it's love, love
And I think it's love

And I think it's love, love
And I think it's love
Love, love
And I think it's love
