You lie in gentle sleep beside me
I hear your warm and rhythmic breathing
I take your hand and hold it tightly
Listen, can you not hear our young hearts beating?

I kiss the sleep from your eyes
Your smile is sweeter than the morning
And a here it comes

Can't you feel it baby?
Can't you feel it, here it comes
Feel it! Feel it! Fire! Fire!

Something's burning, something's burning
Something's burning and I think it's love

And now the sun is burning brightly
We lie in love so close together
I get the feeling deep inside me
My love for you will burn forever

I cup my hands to touch your face
And once again I feel your fire
And a here it comes

Can't you feel it baby?
Can't you feel it, here it comes
Feel it! Feel it! Fire! Fire!

Something's burning, something's burning
Something's burning and I think it's love

And I think it's love, love and I think it's love

And I think it's love, love
(Can't you feel the fire keeps burnin'?)
(Can't you feel the fire keeps burnin'?)
(Can't you feel the fire keeps burnin'? Love)
And I think it's love
