If I told you tonight that I loved you
Would you walk my way
Would you say
Lies I wanted to hear

If I told you tonight that I need you
Would you break my heart
Would you start
Tearin' me down again

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
But I still hold on, I still hold on

If I told you tonight I was leavin'
Would you call my name
Take the blame
Turn it all around again

'Cause you know I love you
And it's worth the heartache
We curse the heartbreak we make
But I still hold on

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
But I still hold on, I still hold on, oh yeah

Hey, I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
But I still hold on, I still hold on

If I told you tonight that I loved you
Would you walk my way
Would you say
Lies I wanted to hear

If I told you tonight that I need you
Would you break my heart

Would you start
Tearin' me down again

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
But I still hold on, I still hold on

I still hold on, I still hold on
Still hold on, still hold on
