The good life.

Baby, I've made up my mind  
And take all the good life that I've found  
I promise myself, if I was to make it  
I had to do the best that I can  
Oh, 'cos the good life is all that I am.

I know problems will come  
But I know I can make it with you by my side  
And every day I was a little harder  
To be a good stronger feeling man  
Oh, 'cos the good life is all that I am.

I tried chasing rainbow  
But all I got was rainy day  
And I tried to find a true love  
Some harder love will sweep away  
Now that I found you. Baby  
I feel like a brand new man  
Oh, 'cos the good life is all that I am,  
Is all that I am, is all that I am.
