There you go again
You take my breath away
The way you look just then
Moves me more than words can say

Just about the time I think
I couldn't love you any more
Well then
There you go again

You're still amazing me
I shouldn't be surprised
You think I know by now
But you get me every time

The love you give
Your tender kisses
Take me places, I have never been
There you go again

There you go
How'd you now?
Sometimes it's like
You almost read my mind
Just when I need you most
There you go again

There you go
How'd you now?
Sometimes it's like
You almost read my mind
Just when I need you most
There you go again

You know, it's hard for me
To tell you how I feel
I want you in my life
And I always will

There's no one else can touch you
When it comes to lovin' me
The way you can

There you go again
There you go again
