Thanks for the times that you've given me
The memories are all in my mind
And now that we've come to the end of our rainbow
There's something I must say out loud

You're once, twice
Three times a lady and I love you
Yes, you're once, twice
Three times a lady and I love you, I love you

You shared my dreams, my joys, my pains
You made my life worth living for
And if I had to live my, life over again
I spend each and every moment with you

You're once, twice
Three times a lady and I love you
Yes, you're once, twice
Three times a lady and I love you, I love you

When we are together the moments I cherish
With every beat of my heart
To touch you, to hold you, to feel you, to need you
There's nothing to keep us apart

You're once, twice
Three times a lady and I love you
I love you
