You might think I'm crazy to carry on this way
Calling you up in the middle of the night
But I've got something that I just can't wait to say

I've got two good reasons, I've been thinking of
Two good reasons why we should be in love
Come on baby, it's so plain to see
I've got two good reasons about you and me, yeah

You might think I'm desperate, oh baby, I just might be
How can I convince you to see the love
Come on, baby, won't you take a chance with me

I've got two good reasons, I've been thinking of
Two good reasons why we should be in love
Come on baby, it's so plain to see
I've got two good reasons about you and me, yeah

I've got two good reasons, I've been thinking of
Two good reasons why we should be in love
Come on baby, it's so plain to see
I've got two good reasons about you and me, yeah

Two good reasons
Two good reasons
Two good reasons
