TWO hearts, ONE love

I wish you were with me tonight  
Right here in my arms  
It's hard to put my mind to rest  
Not knowing where you are.

The city lights have a thousand eyes  
They follow and they stare  
It's midnight now and I hope you're not out there!

Why did I say those words I said?

I need you to return  
How long must the soul inside me burn?

I don't wanna LOSE you somewhere in the night  
I don't wanna USE you, we should make it right

'Cos that's the way that it is supposed to BE  
It should be US instead of YOU and ME  
TWO hearts, ONE love.

I hope I'm on your mind  
You know I'm crazy for you girl  
And I'm the jealous kind.

I don't wanna LOSE you somewhere in the night  
I don't wanna USE you, we should make it right  
So please don't let our love just come undone  
We gotta get back where we started from  
TWO hearts, ONE love.  
'Cos that's the way that it is supposed to BE

It should be US instead of YOU and ME  
TWO hearts, ONE love.

I don't wanna...
