I see you here with me  
I've waited all my life  
For someone like you  
Someone to give my heart and soul to

I look into your eyes  
Your love for me  
Was such a welcome surprise  
I think at last I've found forever

Oh, what about me?  
(I'll always love you)  
Oh, what about me?  
(I'll always need you)  
You were my love before  
But I need so much more of you

Time after time, I feel I'm losing my mind  
Or maybe this is what lovers must go through  
It never entered my mind, we could be wasting our  
time  
What am I gonna do?  
What about me? Oh, what about me?

No reason to pretend, true love affairs  
Don't have to come to an end  
The moment we don't  
Have all the answers

I nearly go insane  
(Oh, I go insane )  
Each and every time  
I hear you whisper my name  
(I feel the same)  
When I'm around you

But what about me?  
(I'll always love you)  
Oh, what about me?  
(I'll always need you)  
This is so hard for me  
I wanted so much to be with you

Time after time, I feel I'm losing my mind  
Or maybe this is what lovers must go through  
It never entered my mind, we could be wasting our  
time  
What am I gonna do?

Time after time, I'm losing my mind  
It never entered my mind  
We could be wasting our time  
But what about me
