We knew it was one in a million
It was such a long shot
But somehow we've got here together
And who knows what will happen

Anything can happen
If we keep getting better
And we keep on believing

When you put your heart in it
It can take you anywhere
Who's to say that we can't make it
It's the same dream that we share
When you put your heart in it
It can take you anywhere

This road was so long and winding
It was such a hard road
But we couldn't stop once we had started
We were always getting closer

Suddenly it happens
A chance in a lifetime
Now we're gonna take it, we can make it

When you put your heart in it
It can take you anywhere
Who's to say that we can't make it
It's the same dream that we share

Keep on believing
Keep on believing

When you put your heart in it
It can take you anywhere
Who's to say that we can't make it
It's the same dream that we share
When you put your heart in it
It can take you anywhere
