All my life was a paper, once plain, pure and white  
Till you moved with your pen, changing moods now  
and then  
Till the balance was right

Then you added some music, every note was in place  
And anybody could see all the changes in me  
By the look on my face

And you decorated my life, created a world where  
dreams are apart  
And you decorated my life by painting your love all  
over my heart  
You decorated my life

Like a rhyme with no reason in an unfinished song  
There was no harmony, life meant nothing to me  
Until you came along

And you brought out the colors, what a gentle surprise  
Now I'm able to see all the things life can be  
Shining soft in your eyes

And you decorated my life, created a world where  
dreams are apart  
And you decorated my life by painting your love all  
over my heart  
You decorated my life
