Don't look so sad, I know it's over
But life goes on and this old world just keeps on
turning
Let's just be glad we had this time to spend together
There's no need to watch the bridges that we're
burning

Lay your head on my pillow
Hold your warm and tender body next to mine
Hear the whisper of the raindrops beating soft against
the window
And make believe you love me one more time
For the good times

I'll get along, you'll find another
And I'll be here if you should find you ever need me
Don't say a word about tomorrow or forever
There'll be time enough for sadness when you leave
me

Lay your head on my pillow
Hold your warm and tender body next to mine
Hear the whisper of the raindrops beating soft against
the window
And make believe you love me one more time
For the good times
