Yeah, yeah, oh-yeah
What condition my condition was in

I woke up this mornin' with the sundown shinin' in
I found my mind in a brown paper bag within
I tripped on a cloud and fell eight miles high
I tore my mind on a jagged sky
I just dropped in to see what condition my condition
was in

Yeah, yeah, oh-yeah
What condition my condition was in

I pushed my soul in a deep dark hole and then I
followed it in
I watched myself crawlin' out as I was crawlin' in
I got up so tight I couldn't unwind
I saw so much I broke my mind
I just dropped in to see what condition my condition
was in

Yeah, yeah, oh-yeah
What condition my condition was in

Someone painted, 'April Fool' in big black letters on a
'Dead End' sign
I had my foot on the gas as I left the road and blew out
my mind
Eight miles outta Memphis and I got no spare
Eight miles straight up downtown somewhere
I just dropped in to see what condition my condition
was in

I said I just dropped in to see
What condition my condition was in
Yeah, yeah, oh-yeah
