For your precious love means more to me than any love  
Could ever beee  
For when I wanted you I was so lonely and so blue  
But that's what love will do  
Darlin' I'm so surprised when I first realized  
That you were fooling me

Darlin' they say... that our love won't grow  
But I just wanna tell them  
That they don't knooow  
For as long as you in love with me  
Our love will grow wider, deeper than any sea  
And of all the things that I want in this whole wide  
World is just for you to say  
That you'll be my girl

Oooo  
Wanting you, wanting you  
I'm lonely and blue  
But that's what love... will do

Darlin' they say... that our love won't grow  
But I just wanna tell them  
That they don't knooow  
For as long as you in love with me  
Our love will grow wider, deeper than any sea  
And of all the things that I want in this whole wide  
World is just for you to say  
That you'll be my girl

Oooo  
Wanting you, wanting you  
I'm lonely and blue  
But that's what love... will do
