Will I live tomorrow
Well, I just can't say
Will I live tomorrow
Well, I just can't say
But I know for sure
I don't live today

No sun coming through my windows
Felt like I'm sitting at the bottom of a grave
No sun coming through my window
Felt like I'm sitting at the bottom of a grave
I wish you'd hurry up and rescue me
So I can be on my miserable way.

I don't live today
It's such a shame
To waste your time away like this
Will I live tomorrow
Well, I just can't say
Will I live tomorrow
Well, I just can't say
But I know for sure
I don't live today.
