The lady's eyes are blue and red  
When she walks by everybody turns their head, yeah  
Dressed in colors and nature's queen  
The sweetest thing you ever did see, oh yeah

There's a light in the sky  
Says you're gonna be mine, yeah  
Now, yes, I knew all the time  
You were gonna be mine, alright

Now I want to know about pleasure and pain  
Once you get in, you ain't never the same, no  
Oh, and who's to blame if you get hurt  
Got nothing to lose if it never was yours

Yeah, there's a light in the sky  
Says you're gonna be mine, yeah daze, alright  
Yes I knew all the time  
You were gonna be mine, alright, oh

La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la

Don't give up, it ain't your scene  
Open your eyes and hear the scream  
Couple of words is all you need  
Before you know it, you'll plant your seed

Oh, what's your will  
And will you get some fill

There's a light in the sky  
Says you're gonna be mine, yes it does, alright, yeah  
Yes, I knew all the time  
You were gonna be mine, oh yeah, yeah, yeah, yeah

La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la
