Needles in my heart  
Spell on my mind  
Your powerful potion  
Gets me every time

I toss and turn, and I can't sleep  
Your kiss burns through my dreams

Here it comes again  
And I don't stand a chance  
Soul possession  
Got me in a trance

Pullin' me back, back to you  
Deja Voodoo  
Deja Voodoo

Fire in the dark  
Pounding on my brain  
Driven by the chant  
Calling out my name

I toss and turn, and I can't sleep  
Your kiss burns through my dreams

Here it comes again  
And I don't stand a chance  
Soul possession  
Got me in a trance

Pullin' me back, back to you  
Deja Voodoo  
Voodoo

Needles in the dark  
And spell on my mind  
Your powerful potion  
Gets me every time

I toss and turn 'cause I can't sleep  
Now your kiss burns through my dreams

Here it comes again  
I don't stand a chance  
Soul possession  
Get me in a trance

Pullin' me back, back to you  
Deja Voodoo  
Deja Voodoo, Voodoo
