Dust can't dry, rust takes hold  
See it in the sky, you're gonna go

Every time it rains  
Every time it rains

Clouds come, you're standing in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find

Every time it rains

If the rivers rise  
You watch it all come down  
See it in your eyes  
It doesn't make a sound

Every time it rains  
Every time it rains

Oh clouds come, you're standing in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find

Every time it rains  
Every time it rains

Clouds come, you're standing in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find

Every time it rains  
Every time it rains

The dust can't dry, the rust takes hold  
You see it in the sky, you're gonna go

Every time it rains  
Every time it rains

Clouds come, you're standing in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find

Every time it rains  
Yeah, every time it rains, yeah  
Yeah, every time it rains, yeah  
Yeah, every time it rains, oh  
Every time it rains  
Yeah, every time it rains
