Well, I'm a king bee baby
Buzzin' 'round your hive.
Well I can make you honey, baby.
Just let me come inside.
I'm a king bee baby
Don't you want to be my queen
'Cuz I can make you honey, baby.
Like the world ain't never seen

Well, I'm a king bee baby
I'll buzz you all night long

Yes I will
Well I can buzz you better baby,
When your other man is gone

Well, I'm a king bee baby
Buzzin' 'round your hive.
Well I can make you honey baby,
Just let me come inside
