Oh yeah
Live on

Hello, my friend
Can't sleep again
Got too much on my mind
It's half past three
(Oh yeah, yeah)
You're calling me
Just to make everything alright
(Alright yeah)

Can't see the light
Heat of the night
Tired of feeling so wrong
Well, I've been there
(Yeah)
And it's not fair
But you just gotta live, live on
Yeah, you gotta live on

Oh, another day
Well, your luck is bound to change
Oh yeah
It might be cold out
(Cold out)
But you just hold out
(Hold out)
The sun is gonna shine your way
I know it's true
I'm living proof
This road is hard and long
If I could find a way
I'd take your place
But you just gotta live, live on
(Live on)
Oh, live on
[Incomprehensible]
[Incomprehensible]
[Incomprehensible]
[Incomprehensible]
[Incomprehensible]

[Incomprehensible]

You gotta live on
Oh, another day
Yeah, your luck is bound to change
Oh
It might be cold out
But you just hold out
(You just hold out)
The sun is gonna shine your way
And I know it's true
I'm living proof
This road is hard and long
If I could find a way
(Find a way)
I'd take your place
(Oh yea)
But, you just gotta live on
(Live on)
Oh, live on
(Live on)
Yeah, you gotta live on
(Live on)
Oh, live on
Oh, hmm
