Top of the world, it oughta feel better
Bottom sure comes at you a whole lot faster
Can you keep a secret I'll tell you?
Still don't get no answer
Where I'm standin'

'Cause I
I just get a little shook sometimes
And I
Oh, I thought maybe you could tell me why
That's alright, Baby
Never mind

So long torn in all directions
Tossed and turned is how I am feelin'
I'm gonna tell you everything
All about, all I'm dreamin'
Let go, Domino, fall down, however I'm leavin'

And I
I just get a little shook sometimes
'Cause I
I thought maybe you could tell me why
That's alright, Baby
Never mind

Hey
Top of the world
It used to look better
Oh, down low
Ain't no vertigo, spin me 'round faster

'Cause I
I just get a little shook sometimes
And I
Oh, I thought maybe you could tell me why
That's alright Baby, oh
Never mind
