And you say, come over baby
Ah, come talk to me
And you drive me so crazy
And I can't hardly see
This keeps goin' on
I might just leave and not come back

I got one foot in your doorway, baby
I got one foot on the path

Well you beg me to stay
Then you order me to go
All this up and down
Is tearin' down my soul
I wonder if our future
Is gonna look just like our past

I got one foot in your doorway, baby
I got one foot on the path
(On the path)
It's in the path

Now I love you, baby
Don't get me wrong
This heart of mine
May not be that strong, man
Got me on your line
Reel me in or throw me back

I got one foot in your doorway, baby
Ooh, I got on foot on the path

Now I, think on it, baby
And don't take too long
If we can't get it right now, baby
I'll just be movin' on, now
I can't wait forever
To get this thing back on its track
(On track)

I got one foot in your doorway, baby
I got one foot on the path

I got one foot in your doorway, baby
I got one foot on the path

Ooh, aah, one foot on the path
