It ain't wrong to feel so strong when you think you got it
going on
Life has a way of making you pay to the club where we
all belong
Now you're free to believe that the good life is
guaranteed
But watch your step 'cause it's a safe bet you're gonna
end up on your knees

[Chorus:]

You're gonna get spanked
I'm warning you sister
You're gonna get spanked
Life's gonna hit you
You'll never know until you get, Spanked
You're gonna be humble
You're gonna get spanked
And your world's gonna crumble you'll never know until
you get
Spanked...

Some do want to prove that there are really just a
chosen few
So test your fate, speculate that it can never really
happen to you
I've been high, at least tried, I learned to sleep with an
open eye
You crossed that line, better take the time to kiss your
ass goodbye

[Chorus:]

You're gonna get spanked
I'm warning you sister
You're gonna get spanked
Life's gonna hit you
You'll never know until you get, Spanked
You're gonna be humble
You're gonna get spanked
And your world's gonna crumble you'll never know until
you get
Spanked

When you're so sure you got it right
All alone in the spotlight
You'll never see it coming

[Chorus:]

You're gonna get spanked
I'm warning you sister
You're gonna get spanked
Life's gonna hit you
You'll never know until you get, Spanked
You're gonna be humble
You're gonna get spanked
And your world's gonna crumble you'll never know until
you get
Spanked
