I was over in Aberdeen  
On my way to New Orleans  
I was over in Aberdeen  
On my way to New Orleans  
Well, them Aberdeen women told me  
They would give me my gasoline

Aberdeen is my home  
But they just don't want me around  
Aberdeen is my home  
But they just don't want me around

I'm gonna take these women  
Take them out this town

Well just look over yonder  
Coming down the road

Well just look over yonder  
Coming down the road

That must be my baby coming  
Tell me she don't want me no more

Well there's too many women  
I ain't never seen  
Well there's too many women  
I ain't never seen  
I bring too many women  
Back from New Orleans

I was standin' 'round cryin'  
With my heart right in my hand

I was lookin' for that woman  
One ain't got no man

Well just look over yonder  
Where we used to live

Well just look over yonder  
Where we used to live

Don't you know it's killing me, baby  
How we can't live here no more

Well it's goodbye, baby  
If I'm never gonna see you no more

Well it's goodbye, baby  
If I'm never gonna see you no more

I'm gonna tell everybody you've been  
Still knockin' at my door
