Night falls, I'm alone
Skin chilled to the bone
You turned and you ran
Slipped right from my hands
(Chorus)
Blue on black
Tears on a river
Push on shove
Don't mean much
Joker on Jack
Match on a fire
Cold on ice
A dead man's touch
Whisper on a scream
Doesn't mean a thing
Won't bring you back
Blue on black
Blind, now I see
Truth, lies, and in between
Wrong can't be undone
Slipped from the tip of your tongue
(Chorus)
