Needles in my heart, spell on my mind,  
Your powerful potion gets me every time  
I toss and turn, I can't sleep at night,  
Your kiss burns, through my dreams  
(Chorus:)

Here it comes again,  
I don't stand a chance  
Soul possession,  
Got me in a trance  
Pullin' me back to you

Deja voodoo  
Fire in the dark, pounding in my brain,  
Driven by the chant calling out my name  
I toss and turn, I can't sleep,  
Your kiss burns, through my dreams  
Needles in my heart, spell on my mind,  
Your powerful potion gets me every time  
I toss and turn, I can't sleep at night,  
Your kiss burns, through my dreams  
(Chorus:)

Here it comes again,  
I don't stand a chance  
Soul possession,  
Got me in a trance  
Pullin' me back to you  
Deja voodoo
