This ones for you
Dust came dry
Rust takes hold
See it in the sky
Youre gonna go every time it rains
Every time it rains
Clouds come standin in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what Im gonna find
Every time it rains
When the rivers rise
You watch it all come down
See it in your eyes
It doesnt make a sound
Every time it rains
Every time it rains
Clouds come standin in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what Im gonna find?
Every time it rains
Every time it rains
Clouds come standin in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what Im gonna find?
Every time it rains
Every time it rains
Dust comes dry
Rust takes hold
You see it in the sky
Youre gonna go
Every time it rains
Clouds come standin in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what Im gonna find?

Every time it rains
yeah, every time it rains
Oh yea, every time it rains
Every time it rains
