The dust can dry  
The rust takes hold  
See it in the sky  
You're gonna go  
Everytime it rains  
Everytime it rains

Clouds come, they're standin' in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find  
Everytime it rains

And the rivers rise  
You watch it all come down  
See it in your eyes  
It doesn't amke a sound  
Everytime it rains  
Everytime it rains

Clouds come, they're standin' in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find  
Everytime it rains  
Everytime it rains

Clouds come, they're standin' in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find  
Everytime it rains

Everytime it rains

The dust can dry  
The rust takes hold  
See it in the sky  
You're gonna go  
Everytime it rains

Everytime it rains

Clouds come, they're standin' in the doorway  
You run, why you wanna run away  
Sky falls, take it as a sign  
Who knows what I'm gonna find  
Everytime it rains

Everytime it rains
