Will I live tomorrow  
Well, I just can't say  
Will I live tomorrow  
Well, I just can't say  
But I know for sure  
I don't live today  
No sun coming through my windows  
Felt like I'm sitting at the bottom of a grave  
No sun coming through my window  
Felt like I'm sitting at the bottom of a grave  
I wish you'd hurry up and rescue me  
So I can be on my miserable way.  
I don't live today  
It's such a shame  
To waste your time away like this  
Will I live tomorrow  
Well, I just can't say  
Will I live tomorrow  
Well, I just can't say  
But I know for sure  
I don't live today
