When I fell for you, baby,

I really met my match

You use me, abuse me,

But I keep comin' back

Let me up, baby, I've had enough

It never seems to matter,

What we fight about

I'm the one who winds up,

Down for the count

Let me up, baby, I've had enough

(Chorus:)

I love ya, I want ya,

Just like I did before

I need ya, but if I leave ya,

It's 'cause I just can't take no more

Somehow you remember,

Every little thing that I've done

So baby, I surrender,

I've lost and you have won

Let me up, baby, I've had enough

I love ya, I want ya,

Just like I did before

I need ya, but if I leave ya,

It's 'cause I just can't take no more
