Top of the world
It outta feel better
Bottom sure comes at you a whole lot faster
Can you keep a secret I tell you?
Still don't get no answer where I'm standin'

'Cause I, I just get a little sure sometimes
And I thought maybe you could tell me why
That's all right baby
Nevermind

So long
Torn in
Wrong directions
Tossed and turned
Is how I'm feelin'
I'm gonna tell you everything all about all I'm dreamin'
Let go
Domino
Fall Down
Wherever I'm leaving
And I get a little sure sometimes
Cause I thought that maybe you could tell me why
That's all right baby
Nevermind

Top of the world
It used to look better
Moved down though
Ain't no vertigo
Spin me 'round faster
Cause I, I just get a little sick sometimes
And I, oh I thought that maybe you could tell me why
That's all right baby
Nevermind
