It's warm inside

Lets take a midnight drive

I wanna know ya...really know ya

It's an open road

Let's see how far it goes

I wanna show ya...baby let me show ya

High flyin' low

Don't wanna go

On a slow ride

It's cold outside

But there's fire in your eyes

Let me hold you...I wanna hold you

Won't loose my nerve

On those dangerous curves

When we get rollin'...really rollin'.

Slide on in, don't keep me in suspense

Let's get movin'...slow movin'

We can make it last, ain't no need to go too fast

When we're groovin', soul groovin
