(Chorus:)

Shame, shame, shame,
Shame on me for loving you
Shame, shame, shame,
Shame on me for loving you
You came and you went,
What's this poor boy to do
I tried, yes I tried,
And you took everything I owned
I tried, yes I tried,
And you took everything I owned
Oh, little girl I wonder,
Was your love to me just on loan
Shame, shame, shame,
Shame on me for loving you
Shame, shame, shame,
Shame on me for loving you
You came and you went,
What's this poor boy to do
