Yeah, now Im a man baby
I aint no boy no more
Yeah, now Im a man baby
I aint no boy no more
I spent twelve years in prison
Here I am standin at your door
I go to work in the morning
Your other man comes creeping around
I go to work every morning
Saw your other man come creepin around
I saw em
I came home with a shotgun baby
He was dead fore he hit the ground
I shot him down
I shot him down
I did my time baby
And I still want you here with me
I said my time baby
But with you I'll never be free
A broken man all alone
Is what I aint never gonna be
I aint afraid of no man
Whiskey and wine my only friends
Yea, I aint afraid of no man
Still got a shotgun in my hands
But Im afraid to come inside
I just might do it all over again
