Could be a spoonful of coffee  
Could be a spoonful of tea  
Just a little spoon of your precious love  
Is good enough for me

Men lies about a little  
Some of them cries about a little  
Might even die about a little  
Everybody's fightin' about it

That spoon, that spoon, that  
That spoon, that spoon, that

Could be a spoonful of diamonds  
Could be a spoonful of gold  
Just a little spoon of your precious love  
Satisfied my soul

Men lies about a little  
Some of them cries about a little  
Might even die about a little  
Everybody's fightin' about it

That spoon, that spoon, that  
That spoon, that spoon, that  
That spoon, that spoon, that spoonful

Could be a spoonful of water  
Save you from the desert sand  
Just a little spoon from a forty five  
Save you from another man

Men lies about a little  
Some of them cries about a little  
Might even die about a little  
Everybody's fightin' about it

That spoon, that spoon, that  
That spoon, that spoon, that  
That spoon, that spoon, that spoonful
