Well, my minds been goin through them changes
I feel like I could out and commit a crime
Every time you see me going somewhere
I feel like Im going outta my mind
My babe, she left me just the other day
We was havin so much fun
Yeah, my baby she stepped out on me
And that's the reason why we had to part
Oh
Yeah
All right
Yeah
Yeah, my minds been goin through them changes
I think Im goin outta my mind
Every time I see you goin somewhere
I feel like I could go out and commit a crime
You had me runnin
She had me hidin
She had me runnin runnin runnin poutin and cryin
She had me runnin'
She had me cryin'
She had me runnin runnin runnin runnin' and cryin
Oh
Yeah
Well, my minds been goin through them changes
I feel like I could out and commit a crime
Every time I see you goin' somewhere
I feel like Im losin' my mind
My babe, she left me just the other day
We was havin so much fun
Yeah, my baby she ran out on me
And that's the reason why we had to part
Oh
All right
Oh yeah
Its all right
