It was a moonless night
It was an empty sky
It was a bad excuse
I was the only fool in sight
It was a crazy thought
A mad mans walk it was
It was a moonless night
It was an empty sky
It was a bad excuse
I was the only fool in sight
It was a crazy thought
A mad mans walk it was
I had a wandering eye
She was a better time
One twisted heart
A black cats walkin by
She was a crazy thought
A mad mans walk she was
Oh, no she was
She was a long way home
Walking broken bone
It wasn't wrong or right
How deep that knife could go
It was crazy thought
A mad mans walk it was
It was a crazy thought
A mad mans walk it was
She was a hangmans noose
I was the fool I was
Oh, I was
Yeah baby
I was
