Time's a wastin' now

And I ain't got no more time to play

Everything is changin' now

Pretty soon it's all gone away

Can we make the changes now

You know there's no other way

Now's the time, the time is now

It's not the why, it's just the how

(Chorus:)

Have you looked around my friend

And really seen what's goin' down

Take a look into the sky

And lay your hand upon the ground

It is of you good neighbor

I ask a lifelong favor

It is my faith I put in you

Can we make the changes now

You know there's no other way

Now's the time, the time is now

It's not the why, it's just the how

(Chorus:)

Have you looked around my friend

And really seen what's goin' down

Take a look into the sky

And lay your hand upon the ground

It is of you good neighbor

I ask a lifelong favor

It is my faith I put in you
