"Leaving Yesterday Behind"

Since you left me, I never really tried
To put my life to where it should belong
And I've always let the past gone by
I'm realizing that it could be wrong

But now I fin'lly knew
I had to let it go
To make way for a brighter tomorrow

So now I'm leavin' yesterday behind
And fin'lly I've made up my mind
So let the mem'ries stay away
And think about today
I'm leavin' yesterday behind
'Cause now I'll try to live my life once more
The way I did before

Since I know that I never will forget
The memories that made my yesterday
I will try not to let it interfere
The choices I will make along the way
'Cause I'm not livin' in a world of fantasy
I'm here now in the world of reality

So now I'm leavin' yesterday behind
And fin'lly I've made up my mind
So let the mem'ries stay away
And think about today
I'm leavin' yesterday behind
'Cause now I'll try to live my life once more
The way I did before

So now I'm leavin' yesterday behind
And fin'lly I've made up my mind
So let the mem'ries stay away
And think about today
I'm leavin' yesterday behind
'Cause now I'll try to live my life once more
Just the way I did before
