"Until This Day"

When you know, you know. I know with you I'm going to go somewhere I've never been.

But it's where I want to be, I breathe easy for the first time.

I never got much out of this life,
Never saw myself in someone's eyes until this day.
Never had the things I really wanted,
Never had the things that people flaunted
Until this day with you.

I cant explain just how changed how I see myself now,
its amazing.
I never want this feeling to leave me. Please don't ever leave me.

I never got much out of this life,
Never saw myself in someone's eyes until this day.
Never had the things I really wanted,
Never had the things that people flaunted
Until this day with you

I never saw this coming on And now that its here i wont let go
this could save me

I never got much out of this life,
Never saw myself in someone's eyes until this day.
Never had the things I really wanted,
Never had the things that people flaunted
Until this day with you
I know this is the best thing for me, the best thing for me
