A song is worth, ah, ah no  
Ah, a picture is worth a million and one songs  
Now a million pictures, no

A song is worth a million pictures  
But a song must be worth a million pictures also  
Because we've got this song here  
And it's worth a million pictures

And we wrote this song  
And you should just listen to it  
You can almost just picture the million pictures that we  
have  
'Cause it's got more than a million words in it

And we wrote this song  
'Cause we didn't have the camera  
To take the pictures  
So listen to this
